FINE PRINTS.

Care With Which They Are Treated by Amateurs and Collectors.

How careful collectors and amateurs of fine engravings are of their treasures is illustrated by a written agreement that a local firm of dealers in such things had to sign recently when they wanted to borrow several particularly rare engravings for an exhibition they were to have in their galleries. The owner of the prints insisted that from the time the box in which the prints were sent to the dealers was opened in the shop no hands but those of the junior partner of the firm were to touch them. The owner stipulated expressly that the member of the firm was to take them out of the box, frame them himself, hang them on the walls and when the show was over follow the prints back through these various stages until a porter was ready to screw the cover of the packing box on again. The prints were so rare and fine that the junior partner cheerfully agreed to all of these conditions for the sake of showing the engravings.

That the prints were extremely rare may be appreciated from the fact that before two of them in particular came into the private collector's possession he made a special journey to Stuttgart, Germany, to see them, and when he looked at them he left an open order to a dealer in that city to buy them, no matter what they cost. He got them but he paid the highest price ever known for such engravings to bring.—New York Press.

At times when you don't feel just right, when you have a bad stomach, take something right away that will assist digestion; not something that will stimulate for a time but something that will positively do the very work that the stomach performs under ordinary and normal conditions, something that will make the food digest. To do this you must take a natural digestant like Kodol for Dyspepsia. Kodol is a scientific preparation of vegetable acids with natural digestants and contains the same juices found in a healthy stomach. Each dose will digest more than 3,000 grains of good food. It is sure to afford prompt relief; it digests what you eat and is pleasant to take. Sold by All Druggists.

If you have Catarrh, rid yourself of this repulsive disease. Ask Dr. Shoop, of Racine, Wis., to mail you free, a trial box of his Dr. Shoop's Catarrh Remedy. A single test will surely tell you a Catarrh truth well worth your knowing. Write to day. Don't suffer longer. Sold by all druggists.

Getting His Own Back.

An ironworker, having had the worst of an argument with a friend, decided to get even with him.

Waiting, therefore, until his enemy had retired to rest one night, he approached his street door and knocked loudly in order to wake him.

Opening the bedroom window, the other hurriedly inquired what the noise was all about.

"Why," replied the outside one, "one of your windows is wide open."

"Which one?"

"Why, the one you have your head through," chuckled the other as he went away satisfied with the success of his plot.—Illustrated Bits.

Many Sleepless Nights, Owing to a Persistent Cough. Relief Found at Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Hayner, editor of the Burley, Colo., Bulletin. "Various remedies were tried each year, with no beneficial results. In November last the cough again put in an appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was indeed marvelous. After three doses the cough entirely disappeared and has not manifested itself since." This remedy is for sale at Severs drug store.
